

## How do I offer Custom Vids on my Profile?

Last Modified on 10/15/2020 12:48 pm EDT

Custom Vids allow Members to order vids from their favorite MV Stars that are exactly to their liking by providing a sexy script to follow!

You can offer this service by going to the drop-down menu > My Content > Add/Edit Services > Custom Vid.

You can create multiple different packages by duration (in minutes) and price; the cost per-minute will be automatically calculated. To remove an option you have created, click the next to it.

| Minutes                      | Price per minute | Billed in one payment of  |
|------------------------------|------------------|---|
| 10 <input type="text"/> min. | \$ 4.50          | \$ 45.00 <input data-bbox="933 638 957 667" type="button" value="+"/> |

Set *Extras* for members to add to their order as special acts you will perform in their vid! These can be free add-ons or be set at a price. To delete an extra, click the .

|            |   |
|------------|---|
| Underwater | \$ 25.00 <input type="button" value="x"/> |
| Workout    | \$ 25.00 <input type="button" value="x"/> |

You can also offer different resolutions for the final vid at different prices. Check the box next to the listed resolutions and set a price. *Standard resolution will always be available at no extra cost.*

|  |          |
|--|----------|
| <input checked="" type="checkbox"/> Standard | \$ 0.00  |
| <input checked="" type="checkbox"/> HD 720p  | \$ 20.00 |

You can offer to deliver the vid faster at a higher price by setting different delivery time options! You can even offer exclusivity at a price, meaning the vid will be for their eyes only.

Once you're done adding all your options, make sure to check the box next to our Terms and Condition, hit "Active" and click

*If you ever need to take a break from filming custom vids you can simply deactivate the service by selecting "Inactive" at the bottom of the page and save the changes. When you're ready to offer them again, simply click "Active" and save again!*
