

How can I verify another performer for MV Live?

Last Modified on 10/07/2021 2:56 pm EDT

You are allowed to appear with other MV Stars during your MV Live session, as long as we have previously age verified your co-performer and have clear proof of consent per our [Terms of Services](#) Section 6.5.

If you wish to go live with another MV Star, contact the MV Support team through [Live Chat](#) and let us know which MV Star you plan to perform with. Make sure you always have a copy of your co-performer's ID as well as a signed co-model release form for anytime it is requested. The work title on the release form can be a general "ManyVids live stream performances" statement.

To perform with a co-star that is not currently an MV Star, simply send a copy of their valid government issued photo ID, along with a signed co-model release form, to help@manyvids.com before you go live!

Please note, if you plan to [record your live show](#) with another performer to post on your profile for sale, we highly recommend you keep a copy of their ID and a signed release form on file as we can request these at any time. You can find our blank release form [here](#).
