Looking to come back to MV? We're more than happy to have you back!

In order to have your MV Star or Producer account reactivated, we ask that you reach out to us ahelp@manyvids.com with your request and make sure to include a photo of yourself holding a sign with the following 3 things:

- Today's Date
- Your Legal Name
- ManyVids

We look forward to having you as part of the MV Community again!
