Last Modified on 09/23/2021 4:45 pm EDT

Once your VIP FanClub is setup ([click here to learn how](#)) you'll want to start adding content to attract new subscribers!

To post exclusive content to your VIP FanClub, go to your profile and click the FanClub tab, then the VIP FanClub sub-tab.

Next, click the field that says "Write a VIP FanClub note to your fans!" and you will have the option to add text, photos or vids! Add your content, and then hit < post to VIP FanClub>. Your content has now been added to your VIP FanClub!

Please note: Pay-To-Open content will be sent via the VIP FanClub inbox, for more info on Pay-To-Open, [click here](#).
