

MV FanClub Activity

Last Modified on 09/27/2021 4:28 pm EDT

The MV FanClub activity tab is located right underneath the FanClub section of your profile. The Activity Tab is a feed containing of all your own activity and updates.

Within your FanClub, you will have visibility of your own activity (FanClub 'Free') and those that interact with your posts, as well as the activity of the profiles that you follow (All Activity). When you're on your profile's homepage and you take a look at your feed with updates from who you are following, this is for your eyes only and no one else will have access to this feed! Anyone who visits your profile will not see your personalized feed, or updates from those you follow.

Your activity will display

- Your Re-MV'd posts
- Your MV Posts
- Your recent sales and tips
- Newly uploaded items and service updates

Posting to your FanClub feed is so easy! Learn how to post to your feed by visiting the link [here!](#)
