

Messaging - MV Inbox

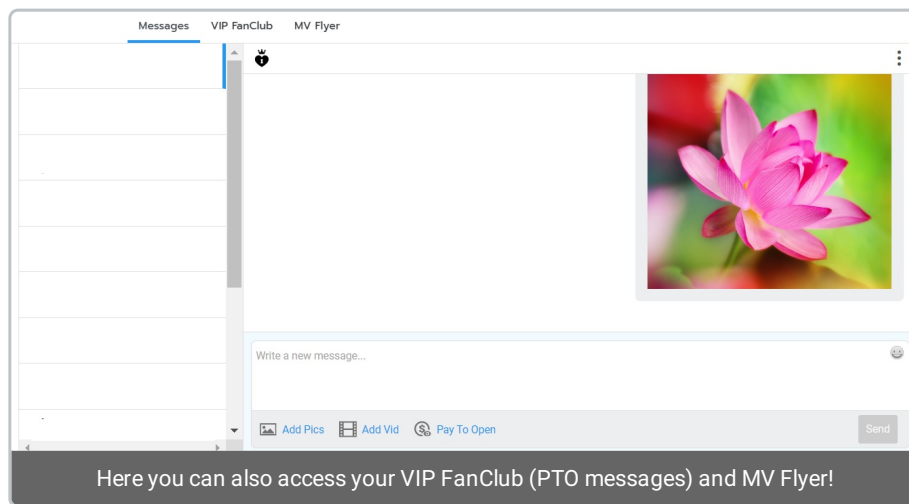

Last Modified on 09/14/2021 3:13 pm EDT

On MV we have an in-site messaging system that you can use to reach out to Members and MV Stars!

Clicking on this icon will take you to your private message area where you can check all your new and past messages.

To be able to start a new message simply click on the button then type out the username on the *Recipient* field:

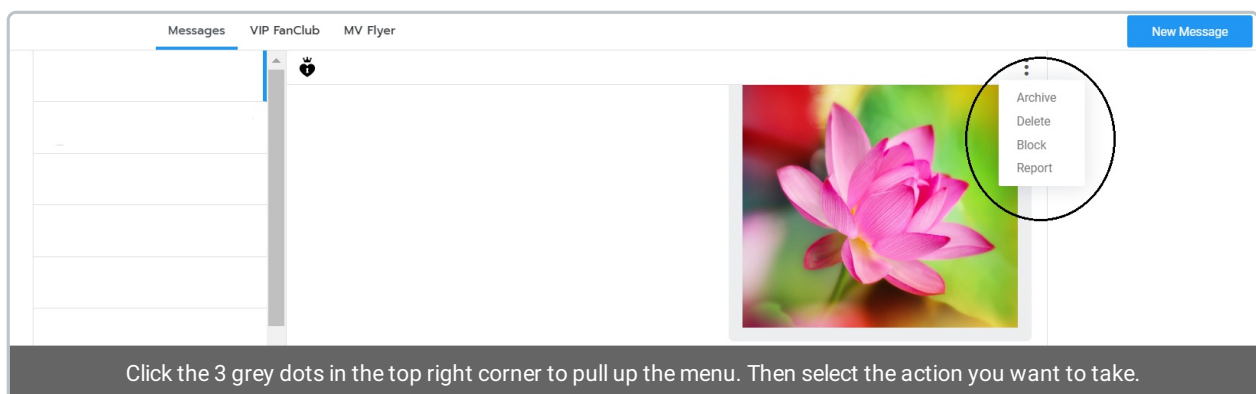

Once you have an existing conversation going on you will be able to do a number of things from within your inbox in relation to who you are speaking with.

Archive - Sends your conversation to the Archive area.

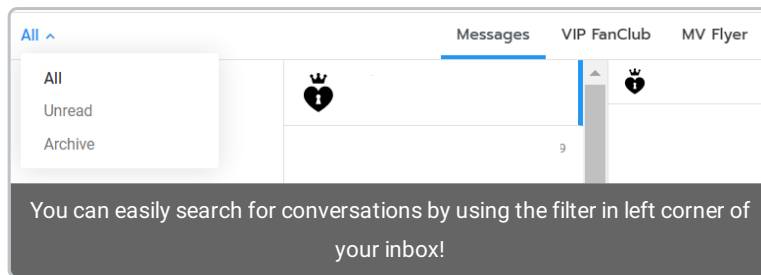

Delete - Remove your entire chat history.

Block - Blocks the person you are speaking with from sending further messages & accessing your profile.

Report - Instantly sends the MV Team a report in case you encounter any issues with who you're conversing with.

You may also filter out your conversations according to conversations that are Unread or those that have been Archived

MV Stars are allowed to include other performers in Vids, Pics, or Pay-to-Open Inbox messages, as long as we have previously age verified your co-performer(s) and have clear proof of consent per our [Terms of Services](#) Section 6.5. This includes regular and MV Flyer messages.

If you wish to send Inbox content featuring another MV Star, contact the MV Support team through [Live Chat](#) and let us know which MV Star you plan to include in your content. Make sure to have your co-performer sign a co-model release form as we will ask for a copy when you Live Chat with us before your show. The work title on the release form can be a general "ManyVids Inbox content" statement.

To verify a co-performer that is not currently an MV Star, simply send a copy of their valid government issued photo ID, along with a signed co-model release form, to help@manyvids.com before you publish any content featuring them!

Please note, per 2257 regulations, we highly recommend you keep a copy of their ID and a signed release form on file as we can request these at any time. You can find our blank release form [here](#).

Members are not permitted to send pics featuring any NSFW material.

**Members may reach out to MV Stars from whom they've made a store purchase from for 30 days starting from date of purchase*
