Tip to MV Stars: *As you can see, these filters are based on how you tag and categorize your vid in the editing process. You'll want to make sure to add the most accurate tags to your vid to give yourself the best chance to be found by members who are searching for your type of content. You can find the full list of accepted vid categories [here](#).*

Members: You can also find more vid filtering options from the drop-down menu to the top right when doing an Advanced Search.
