

[Members] MV Score!

Last Modified on 10/02/2020 3:17 pm EDT

Members, we also have a unique points system for you! Just like our MV Stars you have an MV Score displayed on your profile. Located in your "About" section, your score is based on the amount of purchases and reviews that you make within a 45-day sliding scale. The more you buy and review, the higher your MV Member #Rank, and MV Score.
