

How do MV Stars earn tokens?

Last Modified on 04/19/2021 12:19 pm EDT

MV Stars earn Tokens through tips on MV Live ! MV Members can tip MV Stars with Tokens during [live session](#). MV Stars will set Token goals (eg.: 1000 tks, 1500tks etc.) and invite their fans to tip them towards reaching their live show goal.

MV Stars often create fun games to help reach their token goals. Once the MV Members help the MV Star reach their goal (which can often be found in the room topic), the MV Star will then begin that portion of the show.

You have to be an MV Member to buy Tokens and tip!
