

## **I was viewing a Live show but I just got kicked out! How can I get back in?**

Last Modified on 07/09/2024 3:56 pm EDT

If you got kicked out of an Live session, this could mean that you were blocked by the Creator. Once you are blocked, you will not be able to view the Creator's Live session, or the Creator's profile, until you are unblocked by the Creator.
