

What is the 'About Me' section?

Last Modified on 04/05/2021 1:13 pm EDT

The About Me section allows you to go into depth explaining your passions, your interests, your talents, and everything else that makes you unique.

Your join date, MV Score and linked social platforms are all displayed right at the top of this page! Just below your links there is a section where you can write your own bio. Let your fans know what you're all about, what you're into and what you have to offer!

Below your bio, there are several fields you can complete so everyone can get to know you better, that includes many details from your eye color to your astrological sign. *Tip: The details you enter into your About Me section will help you show up in advances searches, so the more detailed, the better!*

Did you know that, by filling in your About Me page, you can gain 75 points toward your MV Score! How easy is that?
