

How can I verify another performer on my FanClub feed?

You are allowed to include other performers in your FanClub feed, as long as we have previously age verified your co-performer(s) and have clear proof of consent per our [Terms of Services](#) Section 6.5.

If you wish to publish FanClub content featuring another MV Star, contact the MV Support team through [Live Chat](#) and let us know which MV Star you plan to include in your content. Make sure to have your co-performer sign a co-model release form as we will ask for a copy when you Live Chat with us before your show. The work title on the release form can be a general "FanClub feed content" statement.

To verify a co-performer that is not currently an MV Star, simply send a copy of their valid government issued photo ID, along with a signed co-model release form, to help@manyvids.com before you publish any content featuring them!

Please note, per 2257 regulations, we highly recommend you keep a copy of their ID and a signed release form on file as we can request these at any time. You can find our blank release form [here](#).
