[Member] How do I get verified on ManyVids?

Hey big spender! If you're new to the site there may be limitations on the purchases you can make. If you would like to purchase something such as a big vid order or a token package, become a **Verified Member** to avoid any inconvenience!

In order to quickly spend without restrictions, simply complete the following 3 steps:

Step 1: Download and print the verification form. (Drop-down menu > 'My MV' > 'Settings' > Locate and click on the section named, 'Documents')

Step 2. Complete and sign the verification form and re-upload to your account for review.

Step 3: Upload a **clear** photo of yourself holding a **valid**, Government-issued ID (Driver's License, Passport, National ID, etc.)

That's it, you can let our Verification Team do the rest!

Have any questions? You can always reach out to our Support Team via help@manyvids.com!
