

Update - Removal of Top Earners Bonuses

Last Modified on 06/17/2021 7:53 pm EDT

Earlier this month, we aimed to check the pulse of the MV Community by introducing a survey to MV Stars regarding the removal of Top Earners prizes on MV. The survey concluded that 76.8% of participants voted to have Top Earners removed and would instead like to see those funds re-injected into other Community initiatives which benefit more MV Stars.

As of July 1, 2021, the Top Earners section and bonuses will be fully removed from ManyVids and we will continue updating the Community with new opportunities and initiatives for MV Stars.

Stay tuned!
