## How do I set up OBS in my MV Room?

Setting up your Live room with OBS is so easy. Once you've started your Live room, simply follow these steps:

- In OBS, click on "Start Virtual Camera":

Click "Start Virtual Camera" to  
start using OBS

- After you've created your room, click AV next to SETTINGS
- Select OBS Virtual Camera from the drop down:

## How do I disconnect OBS from my Live show?

If you need to disconnect from OBS, simply end your show!

## Can I use OBS for private shows?

With OBS Virtual Camera, yes you can!

## Do you provide graphics for my OBS overlay?

We sure do! You can download those here: [Live OBS Graphics.zip](#)
