

## Is it FREE to chat on Live?

Last Modified on 07/09/2024 4:01 pm EDT

Chat is free for Members on MV Live. Become a Member of ManyVids for FREE here:[Join FREE!](#)

Even though it is free to chat on Live with some Creators, it is also important to show your appreciation towards your favorite Creators. Show your support and [tip Creators during their cam shows](#) to encourage them for their hard work.
