

How do I get my free vid?

Last Modified on 06/03/2022 5:36 pm EDT

The **MV Link** feature enables MV Stars to give vids to Members for**free** using a one-time-use URL!

If an MV Star has sent you an MV Link, you'll be able to access the vid directly from your Purchase History. The free vids are downloadable unless the MV Star has set it to [Stream-Only](#).

Instructions on how to redeem your free vid/MV Link:

1. Go to Purchase History
2. Choose the filter MV link from the drop down
3. Your content will be available for playback!
