# What is the "Club Leaders Contest"?

The Club Leaders Contest is a Contest based on both FREE voting and Club activity. Creators enter the contest by participating from the Contest page (uploading their entry photo). Once voting starts, Creators will earn points for any FREE votes received, and they will also earn points for the activity happening within their Clubs on ManyVids. Winners will receive cash prizes in addition to some amazing promotional opportunities!

Points will only start being counted once the contest voting begins. If items are removed or actions are undone, the points will be reversed.

So, how can you collect points and climb up the ranks to win BIG? By uploading, promoting, and getting fans to engage with and subscribe to your Club!

## How to Get the Most Out of the Promotion as a Creator:

**Promote:** Let your audience know about the promotion. This can be done through social media. Inform your followers about the opportunity to support you.

**Engage with Your Audience:** During the promotional period, engage and interact with your audience. Encourage them to help you

collect points by performing specific actions with your Club and incentivizing them to interact with everything!

And remember! Any activity within your Club will not only collect you points in the Club Leaders Contest, but it will also help you climb the ranks on our [Top Club Earners](#) page – making you eligible for even more cash bonuses at the end of every month!
