What is "Broadcast Blast"?

The "Broadcast Blast" is a limited-time promotion on ManyVids where Creators are encouraged to use the Broadcast feature (formerly MV Flyer) to share their content links and have the chance to win cash prizes and extra promotion!

During the promotion, we invite Creators to send links to specific services through a Broadcast message. The top 3 Creators who earn the most revenue from that specific service via Broadcast during this period will each win a \$100 cash prize and additional promo!

How do I send a Broadcast?

Tips to Get the Most Out of the Promotion:

- **Promote:** Spread the word about the promotion! Use your socials to let your followers know about this opportunity so they can support you and help you win 1 of 3 prizes!
- **Engage with Your Audience:** Actively interact with your audience during the promotional period to boost your Broadcast's reach and impact.

Remember, promos are in Eastern Time (ET), so make sure to plan accordingly!
