Last Modified on 04/17/2024 1:00 pm EDT

Dust off your headset and get ready to log on! The 24-hour ManyVids LIVE Gaming Event is here, and we want to see you show off some serious skills.

There's simply nothing better than when all the Members and Creators in the MV Community come together to support and celebrate one other – especially when gaming and cosplay are involved!

Want to participate? The only requirement is hosting a gaming themed stream on ManyVids Live! You can stream yourself playing a difficult retro game, show off your newest cosplay fit, or chill out and listen to your favorite video game soundtrack – there's really no wrong way to take part!

And simply by participating, you're eligible to win 1 of 4 awesome cash prizes! To get the most exposure possible, don't forget to do the following:

- Let your fans know what they can expect during your live stream on social media with the hashtag #ManyVidsGaming
- Pin your #ManyVidsGaming post to the top of your Twitter & FREE Feed on ManyVids
- Go LIVE anytime on the day of the event (12:00 AM EST to 11:59 PM EST)

The 4 winners will receive:

- 1st place: \$500
- 2nd place: \$250
- 3rd place: \$150
- 4th place: \$100

Don't miss out on this great way to connect with the MV Community and gain some extra exposure! Who's going to set the new high score, MV?

Keep an eye on our socials to find out when the next ManyVids Live Gaming event will take place!
