Let Members know when you'll be live and what you'll be doing with the Live Scheduler!

To schedule your live sessions:

- Navigate to the [dashboard](#)
- Revenue tools under Manage My Store
- Click "Edit" next to Live settings
- From there, you can add a new show to your schedule:
- Simply fill out the pop out and click save!**Note that your banner must abide by our [Content Rules](#)**

You can edit a scheduled show by clicking the edit icon:

Once your show has been scheduled, it'll appear on your profile under the Live tab:

We also have free templates you can use! You can find more info on that here [Live Banner Templates](#)

If you haven't already, explore the [Free Token Rewards Program](#)! Members can earn free Tokens with Vid purchases when you schedule at least two live shows, each a minimum of one hour.

Remember, the Broadcast feature is an excellent tool to invite your followers to join your scheduled live shows and boost your audience!
