What is "Mention Madness"?

It's time for Mention Madness on ManyVids! Mentions are HERE and we want to help spread the love - tag your fellow Creators on your FREE Club Feed during the promo period to help spread positivity in the community, show love to your peers and a chance to win exclusive promo!

How do I participate?

- To enter, simply create a post on your FREE Club Feed mentioning another Creator (Type @ and start typing a name to select someone from the drop-down).
