

10% Cash Back in Wallet Credits

Last Modified on 07/07/2025 9:04 am EDT

The Summer Splash Promotion is a limited-time offer on ManyVids. During the promotional period, Members will receive an instant 10% cash back in Wallet Credits on all Vid and Vid Bundle purchases. These Wallet Credits will be automatically added to the Member's MV Wallet and can be used at a later time.

How Does it Work?

- **Instant Application:** Your 10% cash back is instantly applied to your MV Wallet.
- **Exclusions:** The cash back applies to the purchase price before any applicable taxes and cannot be combined with any other promotional codes.
- **Tracking Your Savings:** Easily view your cash back transactions by sorting your purchase history by "ALL" or checking your invoice for detailed information.

Eligibility and Conditions:

- **Promotional Window:** All purchases on Vids and Vid Bundles made during the promo period qualify. Should there be any delay in processing your payment, rest assured, we will honor the cash back based on your checkout time.
- **New Accounts Welcome:** New Members will receive Wallet Credits from their purchases. These credits are available for immediate use. However, adding more funds to your Wallet will be enabled after your account is active for 30 days, which is when a "LOAD" button will appear in your MV Wallet.
- **Payment Methods:** This promo is offered to purchases made with all payment types.

Maximize Your Experience:

- **Spend and Save:** Use your cash back on future purchases, enjoying even more of your favorite content at a fraction of the cost.
- **Stay Informed:** Keep an eye on your purchase history and invoices to track your savings and your Wallet Credit balance.
