

The 2025 ManyVids Awards

Last Modified on 01/03/2025 11:18 am EST

Get ready to celebrate a decade of excellence—the 10th Annual ManyVids Awards are here! To our incredible Creators: your passion, creativity, and commitment are what make this community truly shine. Thank you for being the driving force behind everything we do. Let's make this award season unforgettable!

Pre-Nomination Period:

The Awards are kicking off with new and improved pre-nominations! From January 3rd at 10 AM EST until January 7th at 11:59 PM EST, Members have the chance to nominate their favorite Creators in any of the available categories directly on the ManyVids platform. Once the pre-nomination window closes, Creators will receive a notification detailing the categories in which they've been nominated. This early insight allows Creators to get a sneak peek at the support they've received, giving them the chance to tailor their entries and elevate their chances of taking home a crown!

How the 2025 ManyVids Awards Will Work:

- As of January 8th at 10 AM EST, Creators can enter themselves into the Awards.
- The voting period will run from January 13th at 11 AM EST to January 27th at 8 PM EST.
- After the voting window closes, the Top 5 nominees in each category will proceed to the final round.
- The ManyVids Team will determine the ultimate winners based on the total number of votes earned and an in-house vote.
- The winners will be announced on the ManyVids socials on January 30th.

ManyVids Award Winner Prizes:

- A \$1000 cash prize
- A jewelled crown
- A badge on their Profile for all to see
- Winners will be featured on the Creator and Awards page all year long giving each winner exclusive exposure.

Important Information:

- The first category you enter will be linked to the "Vote for Me" button on both your Profile and LIVE room.
- This year, Creators can enter up to 4 categories, allowing each participant to showcase their unique strengths and truly shine in their areas of expertise!
- Some categories are exclusive to specific account types for Creators to ensure fair competition (e.g., the Gay King of the Year category is reserved for Creators with a Boy/Gay account on ManyVids).
- Creators cannot enter the "Vid of the Year" category. This category is not open for entry as the nominated Vids are pre-selected based on the most popular Vids in 2024.
- All entries must adhere to SFW Contest entry guidelines – [click here](#) to read them.
- To qualify for any of the SFW Community Awards, you must have uploaded and tagged at least 3 videos within the relevant community. Only Vids that meet the SFW criteria and are added to the Community Lander will be considered for the Awards. Make sure your content is appropriately tagged to ensure eligibility.

Tips to Maximize Your Success as a Creator:

Promotion is key to success in any contest, and the 10th Annual ManyVids Awards are no exception! Share your excitement with your fans on social media by letting them know which categories you've entered and rally their support. If you haven't enabled your auto-posts yet, now's the perfect time! Auto-posts let the community know which categories you've entered and notify your fans when you receive a vote. It's an effortless way to boost your visibility and rally support on social media without the need to post manually!
