The LIVE Token Rush is a 4-day event where Creators have the opportunity to collect millions of Tokens circulating the platform and have the chance to become a Tokenillionaire!

How to participate:

To be eligible to win, Creators must:

- Have at least 2 live shows scheduled in April and unlocked the [FREE Tokens Reward Program](#)
- Go live anytime during the event (April 24th at 12 AM ET to April 27th at 11:59 PM ET)

What are the prizes?

The top 3 Creators who earn the most Tokens during the entire event will win a cash prize, a ManyVids crown, and of course, walk away with a tidal wave of Tokens!

1st place: \$500

2nd place: \$250

3rd place: \$150

Winners will be determined based on the total number of Tokens earned during the entire event period.

How to get the most out of the promotion as a Creator:

Promote: Let your audience know about the live event. This can be done through social media, Broadcast, or via direct messaging. Let your followers know when you are going live and to join your scheduled shows during the event.

Engage with your audience: Before and during the live fest, engage with your audience, interact with them, and encourage them to spend their Token balance on you.

Stream more, earn more: Every Token you collect while you're live adds to your cumulative total, so the more you stream, the better your chances of winning are.

Remember, promos are in Eastern Time (ET), so make sure to plan accordingly!
