The Vid Bundle Bonus is a special, limited-time promotion. During the promotional period, Members can buy one Vid Bundle (formerly known as Vid Membership) and they will unlock 10% off their second Vid Bundle purchase —on us!

And the best part? That 10% off lasts for life. Your Vid Bundle will keep renewing at the discounted rate!

## How it works:

- Purchase your first Vid Bundle at regular price during the promotional period to qualify.
- Then, you can purchase your second Vid Bundle within the same time period to receive an additional 10% discount, courtesy of ManyVids!
- The 10% discount on your second Vid Bundle will be applied automatically at checkout.
- Bonus: the 10% discount will also apply to future rebills on the discounted Vid Bundle, so you can benefit for as long as you wish!
- The discount is only valid on purchases made with Credit Card or MV Wallet. Payments made with Crypto or TrustPay are not eligible.

## How to get the most out of the promotion as a Creator:

**Bundle:** Make sure you have a Vid Bundle available on your Profile. This is the first step to participating in the promo and increasing your chances of earning more!

**Promote:** Let your followers know this deal is live! Use social media, send a Broadcast, or connect via DMs to let them know this is the perfect time to buy more and save.

**Engage:** Be present and active before and during the promo period! Post teasers, answer messages, and highlight your Bundles. A little extra engagement can go a long way in driving sales.

*\*Remember, promos are in Eastern Time (ET), so make sure to plan accordingly!\**
